

## **Parking Lot 5 Improvements**

Parking lot 5 (between Main and Elm Streets) will receive improvements this month. The following project details and schedule are planned:

### **Construction is scheduled for one week:**

**Monday May 22<sup>nd</sup> – Sunday May 28<sup>th</sup>**

Improvements include: wheelchair ramps and replacement of broken curbs; a landscape island, and; replacement of sidewalk at the lot's driveway on Main Street; repair of lot's base surface and resurfacing of parking lot.

### **Key Points During This Construction Work:**

- The **lot will be completely closed, day & night**, to all vehicles (except garbage company trucks) until the project is completed.
- Construction **work hours are from 7am to 9pm.**
- A “**Delivery Only**” area for trucks will be set up in Lot 4, (near Elm St-behind Upstream) and on Main St at N. Santa Cruz (next to LG Shuz), using the big Catstruction signs.
- Parking restrictions will be lifted in the adjacent Parking Lot 4 (between Elm and Grays Lane) during Lot 5's closure to mitigate the loss of parking during this work.

Town staff would like to thank everyone who provided input and comments to determine best dates for this upcoming project, in an effort to reduce impacts. We greatly appreciate the ongoing support to make this project a success.

If you have any additional questions, please contact the Town Engineer Kevin Rohani at (408) 399-5773 or e-mail [krohani@losgatosca.gov](mailto:krohani@losgatosca.gov)
